

# Honour a loved one or commemorate a special occasion with a Victoria Park Legacy Brick.

A Legacy Brick is a unique way to honour a loved one or commemorate birthdays, anniversaries and other special occasions. It is also a great way to support hungry Nova Scotians and help restore a charming outdoor space in downtown Halifax.

Your personal inscription will be permanently displayed below the Robbie Burns statue in Victoria Park, across from Halifax Public Gardens on Spring Garden Road.

The Legacy Brick project supports the work of FEED NOVA SCOTIA, a charitable organization that collects and distributes food to a network of 150 food banks and meal programs across the province, and works to eliminate chronic hunger and poverty through research, awareness initiatives and client support programs.

**See reverse for details on how to order your Legacy Brick today!**

**Each engraved brick costs \$60 (HST included). One order form per brick please.**
